---

Hi everyone,

Rich Hanson and I have selected Wednesday, May 11th, 2011, for the Northwest Oil Drain Air Boat excursion, based on EPA availability, etc. We will meet at the FBWMA at 1:00 pm (where we met before). For those of you who want to, we can meet here at UDEQ-DERR at 12 noon. Rich preferred an afternoon outing because he said it can get cold on the airboats. (He said we will be taking 2 boats). I will send out another email about a week ahead of time and a day or two ahead of time, as reminders. Please let me know if I've forgotten to include anybody.

Thanks,

Liz
